

Veteran Information, Check List, & Process

Thank you for your interest in applying for a New Horizons Service Dog.

Before filling out the application, we ask that you read the following information to ensure that you qualify as an applicant:

Information:

- **New Horizons Service Dogs is unable to provide service dogs at this time for the following conditions:**
 - **Low vision or individuals who are blind**
 - **Individuals who are deaf.**
 - **Individuals looking for a medical alert dog for diagnosis such as diabetes, seizures and severe allergies.**
 - **Mental health diagnosis such as schizophrenia, bi-polar disorder, borderline personality disorder, etc.**
 - **New Horizons places Service Dogs to Florida Residents**
 - **Children under the age of 5 years old**
- There is no cost for the service dog, however, there are costs related to the receiving of the dog. Please read the FAQ on the website and this information page in its entirety.
- You are responsible for all costs relating to the dog's care once the dog is placed with you.
- You are responsible for all costs related to a 2-week Team Training, in which you will come to the Central Florida area with the dog every day for 2 weeks under our guidance and instruction.
 - You will be responsible for all costs associated with traveling (food, gas lodging, etc.).
 - The cost for the two-week training largely depends on where you are located and if you will require hotel accommodations. We do not provide housing. Team Training is located in Deland, FL (Volusia County).
 - The hotel costs vary per time of year. Depending on your choice of hotel, prices can start ~\$59/night +. We do work with local hotels to get their best deal and block out rooms depending on availability.
 - As of January 1, 2020 there is a non-refundable \$500.00 fee to reserve your spot for Team Training.
 - This includes: supplies for the dog (such as a vest, first bag of food, leash, collar, bowl, or grooming supplies)
 - This fee is due at the time you are notified of your eligibility for team training.
- We ask that you begin fund-raising so that you can help New Horizons continue their mission to place Service Dogs at no cost to the recipient. The fundraising/donation to New Horizons is considered a pay-it-forward program for the next client in line to receive a dog. Fundraising does not affect your eligibility to receive a dog or the timeframe of your application process. There is no required fundraising amount. We are a 501(c)(3) program that operates largely on private donations, fundraising and community support. The more you are involved, the more Veterans we are able to help. In addition, New Horizons is always grateful to accept volunteers in all facets of our organization.
